

Copypcat

Billie Eilish

Em Bm
Don't be cautious, don't be kind
Am Bm
You committed, I'm your crime
Em Bm
Push my button anytime
N.C.
You got your finger on the trigger, but your trigger finger's mine

Em Bm
Silver dollar, golden flame
Am Bm
Dirty water, poison rain
Em Bm
Perfect murder, take your aim
N.C.
I don't belong to anyone, but everybody knows my name

Em Ebaug
By the way,
Em Ebaug
you've been uninvited
Em Ebaug
'Cause all you say
Em Ebaug
are all the same things I did

Em Am Bm
Copypcat trying to cop my manner
Em Am Bm
Watch your back when you can't watch mine
Em Am Bm
Copypcat trying to cop my glamour
Em Am Bm
Why so sad when you can't have mine?

Em Bm
Call me calloused, call me cold
Am Bm
You're italic, I'm in bold
Em Bm
Call me cocky, watch your tone
N.C.
You better love me, 'cause you're just a clone

Chorus

Em

Em
I would hate to see you go
Bm
Hate to be the one that told you so
Am
You just crossed the line
C
You've run out of time
Em
I'm so sorry, now you know
Bm
Sorry I'm the one that told you so
Am C
Sorry, sorry, I'm sorry, sorry
N.C.
Sike

Chorus
