

# Great Green Gobs

## Children's Songs

C                      C              C                      C  
 Great green gobs of greasy grimey gopher guts  
 G                      G  
 Mutilated monkey meat  
 C                      C  
 Little birdie dirty feet  
 C                      C                      C                      C  
 French fried eyeballs rolling down a dirty street  
                     G                      G  
 And me, without  
                     C                      C  
 my spoon
