

Lover

Taylor Swift

G D C
We could leave the Christmas lights up 'til January
G D C
This is our place, we make the rules
G D C
And there's a dazzling haze, a mysterious way about you, dear
G D C
Have I known you 20 seconds or 20 years?

G D C
Can I go where you go?
G D C
Can we always be this close forever and ever?
G D C
And ah, take me out, and take me home
G D Em D C
You're my, my, my, myyyy lover

G D C

G D C
We could let our friends crash in the living room
G D C
This is our place, we make the call
G D C
And I'm highly suspicious that everyone who sees you wants you
G D C
I've loved you three summers now, honey, but I want 'em all

Chorus

Ladies and gentlemen, will you please stand?
Em F
With every guitar string scar on my hand
C G Am D
I take this magnetic force of a man to be my lover

G D
My heart's been borrowed and yours has been blue
Em F
All's well that ends well to end up with you
C G Am D
Swear to be overdramatic and true to my lover

G F C
And you'll save all your dirtiest jokes for me
Am D
And at every table, I'll save you a seat, lover

Chorus
